Report on Celebrated International Human Rights Day (2021-22)

Human Rights Committee of our college organized International Human Rights day on **Dec 10th 2021**. This Programme was presided by Dr. Deepu.P., Principal, Vidyavardhaka Law College, Mysuru. Chief Guest Sri. M.K. Matoli, Professor, Government Law College, Hassan said Human Rights Day is perceived every year on 10 December — the day the United Nations General Assembly adopted, in 1948, the Universal Declaration of Human Rights (UDHR). The UDHR is a milestone document, which proclaims the inalienable rights that everyone is entitled to as a human being - regardless of race, colour, religion, sex, language, political or other opinion, national or social origin, property, birth or other status. When the General Assembly adopted the Declaration, with 48 states in favor and eight abstentions, it was proclaimed as a "common standard of achievement for all peoples and all nations", towards which individuals and societies should "strive by progressive measures, national and international, to secure their universal and effective recognition and observance".

The measure was received by both advocates and critics alike as "being more declarative than legislative, more suggestive than binding. Sir told today, poverty prevails as the gravest human rights challenge in the world. Combating poverty, deprivation and exclusion is not a matter of charity, and it does not depend on how rich a country is. By tackling poverty as a matter of human rights obligation, the world will have a better chance of abolishing this scourge in our lifetime. Poverty eradication is an achievable goal.

The Universal Declaration of Human Rights sets out a broad range of fundamental rights and freedoms to which all of us are entitled. It guarantees the rights of every individual everywhere, without distinction based on nationality, place of residence, gender, national or ethnic origin, religion, language, or any other status.

Although the Declaration is not a binding document, it inspired more than 60 human rights instruments which together constitute an international standard of human rights. Today the general consent of all United Nations Member States on the basic Human Rights laid down in the Declaration makes it even stronger and emphasizes the relevance of Human Rights in our daily lives.

The High Commissioner for Human Rights, as the main United Nations rights official, and the Office of the High Commissioner play a major role in coordinating efforts for the yearly observation of Human Rights Day.

Concluding the programme Dr. Boregowda S.B, Coordinator, rendered vote of thanks. Ist year LL.B (3yrs) students witnessed the celebration.
