The meeting began with the welcome note by the coordinator.

In this meeting following were discussed -

- \* Students/mentor response to mentors
- \* Time table / classes
- \* Class representative election for 1<sup>st</sup> year students held in December.
- \* Other relevant matters.

The mentors present in the meeting said that they met their mentees and some of them were still not traceable as they are illegible to college. The Principal noted that concerned class teachers are directed to update the attendance and bring to her notice about any student with shortage of attendance.

The mentees also enquired about the time table for classes as it would be easier for them to know about the classes and its timing since English classes are taken only for Kannada medium students.

The mentees also said that they had elected their class representatives in an election held 1 month ago and that they have even complaints about a <sup>disruption</sup> powerpoint presentation / project in Room No 1 & 6. This was earlier brought to the notice of Principal by the class representatives and said problem to be resolved at the earliest.

The Principal addressed the students and the grievances of the mentees through the mentors.
