BRIEF REPORT ON WORLD ENVIRONMENT DAY 2018

World Environment Day was celebrated on 5th June 2018, at college auditorium World Environment Day is the UN's most important day for encouraging worldwide awareness and action for the protection of our environment. Since it began in 1974, it has grown to become a global platform for public outreach that is widely celebrated in over 100 countries. Each World Environment Day is organized around a theme that focuses attention on a particularly pressing environmental concern. The theme for 2018 is Beating Plastic Pollution.

The programme was presided over by our Principal Prof K B Vasudeva and Chief Guest was Dr Lathamani.R., Geography Prof. Inaugurating the programme she delivered a thought provoking speech on the topic of "Beat Plastic Pollution" and said, 'While plastic has many valuable uses, we have become addicted to single-use or disposable plastic, with severe environmental consequences' and also said, Round the world, one million plastic drinking bottles are purchased every minute, while up to 5 trillion single-use plastic bags are used worldwide every year. In total, half of all plastic produced is designed to be used only once and then thrown away. Plastic waste is now so ubiquitous in the natural environment that scientists have even suggested it could serve as a geological indicator of the anthropogenic era. More than 99% of plastics are produced from chemicals derived from oil, natural gas and coal all of which are dirty, non-renewable resources. If current trends continue, by 2050 the plastic industry could account for 20% of the world's total oil consumption. She requested the audience as 'We need to slow the flow of plastic at its source, but we also need to improve the way we manage our plastic waste. Finally she had requested the students to understand the problem and minimize the usage of Plastics and save the environment.

REPORT OF THE BLOOD DONATION CAMP

Mysore City Police Commissioner Dr.A.Subramanyeswara Rao and DCPs are voluntarily donating blood at VVLC campus, Mysuru

PRINCIPAL
Vidyavardhaka Law College
Mysore - 570 001

Er.P.Vishwanth, Hon'ble Secretary, Vidyavardhaka Sangha @, Mysuru and Prof.K.B. Vasudeva, Principal, VVLC are giving certificate to Dr.A.Subramanyeswara Rao, Commissioner, Mysore City Police after donating blood

The Youth Red Cross Committee, Vidyavardhaka Law College, Mysuru in association with Jeevadhara Blood Bank, Mysuru. IQAC of VVLC, National Service Scheme of VVLC, Lions Club, Mysuru and HDFC Bank, Mysuru organized Blood Donation camp at VVLC campus Mysuru on 31st October 2018.

Hundreds of students from Vidyavardhaka Law College and Police Officers of Mysuru City in large numbers participated in 'Blood Donation Camp' organized as part of National Unity Day (Rashtriya Ekta Diwas) in VVLC. The event was organized as part of the nationwide Unity call given by Union and State Governments to commemorate the 143rd birth anniversary of Iron Man of India, Sardar Vallabhbhai Patel.

Prof.K.B. Vasudeva, Principal, VVLC through his welcome address greeted all the dignitaries, participants, blood donors, police officials, students and general public.

Mysuru City Police Commissioner Dr. A. Subramanyeswara Rao flagged off the National Unity Day and Blood Donation Camp in VVLC Campus. Speaking after administering the oath for the

K.B.
PRINCIPAL

students to protect the unity and integrity of the nation, the City Police Commissioner highlighted the significance of celebrating the National Unity Day and Blood Donation.

He exhorted the youths to contribute their mite for the progress, betterment of the country apart from upholding dignity, integrity, plural and secular ethos of the nation. The Union Government has been promoting 'National Unity Day' to strengthen the bonding among people. Further, Dr. A. Subramanyeswara Rao gave some health tips before and after donating the blood. The following are the key health tips given by him:

Free Health Checkup: Before you donate blood, your hemoglobin levels, blood pressure, temperature, and heart rate are all assessed at no cost to you. If there are any abnormalities, you will be made aware of them and can seek medical attention. Furthermore, once your blood has been sent to the lab, they will screen it for infections such as syphilis, HIV, and hepatitis B and C. You can opt to be informed if they find anything abnormal during this analysis.

Burns Calories: Donating one pint of blood can burn up to 650 calories. While this shouldn't be considered a weight-loss solution, it is a nice bonus for doing a good deed!

Decreases Risk of Cancer: By donating blood, you could be reducing your risk for cancer. Iron has been linked to free-radical damage in the body and is associated with an increased risk of cancer and accelerated aging. When you donate blood, you are removing some of the iron from your system and lowering your risk for liver, lung, colon, and throat cancers.

New Blood Cells: Your body will be stimulated to replenish the blood cells lost during the donation, which helps maintain good health.

Later, to motivate the students, blood donors and participants Dr. Subramanyeswara Rao, DCPs N. Vishnuvardhana and Dr. Vikram V. Amathe and City Armed Reserve DCP Basavaraj V. Kittur, voluntarily donated their blood to promote Blood Donation as part of National Unity Day.

National Unity Day across Mysuru District

National Unity Day was observed across the district to foster, reinforce dedication to preserve and strengthen unity, security and integrity of the nation.

Series of events like Run for Unity, voluntary blood donation, seminar, quiz competition, march-past by Police Department troupes were also held in town, taluk and district headquarters to pay tributes to India's first Home Minister and Deputy Prime Minister Sardar Vallabhbhai Patel.

A Voluntary Blood Donation Camp was held successfully at Vidyavardhaka Law College premises where hundreds of Students, Cops and Teaching & Non-teaching College staff donated blood.

Gundappa Gowda, Hon'ble President, Vidyavardhaka Sangha @, Mysuru, Er.P.Vishwanth, Hon'ble Secretary, Vidyavardhaka Sangha @, Mysuru and S.N. Lakshmi Narayana, Hon'ble Treasurer, Vidyavardhaka Sangha @, Mysuru, Teaching and Non-Teaching Staffs of VVLC, VVFC, Mysuru were took part in the event.

Pof. H.S.Shivakumar delivered vote of thanks. The programme was concluded followed by National Anthem.

NSS Report 2018-19

Our college NSS Unit organized NSS Special Camp in collaboration with KSLU, Huballi and VV Sangha(R) Mysuru from 11-05-2019 to 17-5-2019 at Hadinaru village, NanjanaguduTq, Mysuru District, with the motto of propagating the Gandhiji vision of India and also projecting the speech of Vivekananda at Chicago on his 125th anniversary celebration. It also marked 50th year anniversary of NSS Programme. About 48 NSS Volunteers and 2 camp officers participated in this programme. The activities organized for seven days programme is as follows-

On 11TH MAY 2019, the first day of our camp, we reached Hadinaru village by 11am and organized Inaugural function at 4 pm. It was inaugurated by Dr. H C Mahadevappa Ex PWD Minister of Karnataka State Govt who spoke on the Role of Govt and Public for the development of the Villages. Sri. Organizing

VISIT TO MYSORE CENTRAL PRISON

For

3YEARS LL.B

& 5YEARS B.A,LL.B STUDENTS

ON

5TH JULY 2019

VIDYAVARDHAKA LAW COLLEGE
SHESHADRI IYER ROAD- MYSURU-01

REPORT ON
VISIT TO MYSORE CENTRAL PRISON

On 5th July 2019 visit to Mysore Central Prison was organized for final year BA. LL.B (5YRS) and LL.B (3YRS) students. The students visited the prison with the guidance Sri Prashanth T.M, Asst. Professor and gathered the information relating t central prison. There are around 40 cells in the jail, among which 35 are meant for men and 5 cells are occupied by women. Food is served two times a day including breakfast. Separate cells for men and women are maintained. Sports such as Volleyball, Football, Cricket Match, Hockey, etc. are played at the ground. Also, there will be cultural programmes like dance, drama, music is also held by the administrators, who encourage prisoners to perform several activities and build their career. Such type of physical activities not just helps them build their career in the sports field, but also gives them physical fitness and thereby keeps them strong and healthy; also, encourages them to lead their life by working hard, and not through any shortcut root such as robbery or murder. Prisoners are even provided health check-up or health camp by the Government of Karnataka, with the intension to keep these prisoners healthy and safe. Prisoners can also engage in work like carpentry, baking, stitching, basket weaving, blanket weaving etc. the goods produced by the prisoners are sold outside with reasonable cost. The mounts received are deposited to prisoners account as wages. Students visited under trial prison and it was noted that under trial prisoners were more in number. The visit concluded at 2pm. Students and faculty in charge thanked the jail superintendent and jailor for extending their support for the visit.

Report of the Inauguration of Red Cross and Blood Donation Camp

Youth Red Cross Committee of Vidyavardhaka Law College, Mysuru organized the inauguration of Red Cross and Blood Donation Camp on **5th October 2019**.

Smt. P.Deepu, Principal, Vidyavardhaka Law College, Mysuru delivered welcome and Keynote address. Dr.K.L. Chandrashekhara, Coordinator, Youth Red Cross Committee, Vidyavardhaka Law College, Mysuru delivered introductory remarks and the activities of YRC inn the academic year 2018-19.

The Chief Guest of the programme Prof. M.Mahadevappa, Vice Chairman, Indian Red Cross Society, Mysuru District Branch, Mysuru delivered a special lecture on *Blood Donation and its impact*. The key points from his lecture are listed below:

The Benefits of Donating Blood

Donating blood has benefits for your emotional and physical health. According to a report by the Mental Health Foundation, helping others can:

- reduce stress
- improve your emotional well-being
- benefit your physical health
- help get rid of negative feelings
- provide a sense of belonging and reduce isolation

Research has found further evidence of the health benefits that come specifically from donating blood.

Free health checkup

In order to give blood, you're required to undergo a health screening. A trained staff member performs this checkup. They'll check your:

- pulse
- blood pressure
- body temperature
- hemoglobin levels

PRINCIPAL
Vidyavardhaka Law College
Mysore - 570 001

This free mini-physical can offer excellent insight into your health. It can effectively detect problems that could indicate an underlying medical condition or risk factors for certain diseases.

Your blood is also tested for several diseases. These include:

- hepatitis B
- hepatitis C
- HIV
- West Nile virus
- syphilis
- Trypanosoma cruzi

Blood Donation: Benefits of Blood Donation

Every day blood transfusions take place that saves lives of many people all over the world. About 5 million Americans need a blood transfusion. Donating blood is good for the health of donors as well as those who need it. It is important that blood donation takes place in a hospital, a clinic or a blood bank, in the presence of medical experts. Donors should ensure that they are in good health to avoid any health issues post-transfusion to those who use it.

Donating blood can help in treating patients suffering from cancer, bleeding disorders, chronic anemia associated with cancer, sickle cell anemia, and other hereditary blood abnormalities. It is important to know that human blood cannot be manufactured, people are the only source of it and that is why it is important to donate blood and help those who need it. It is also possible to store your own blood for your future needs. Make sure the blood is stored at a good blood bank.

A mini health exam that includes a checklist for diseases related to blood pressure and infectious diseases should be conducted before initiating the collection of blood. Those who have medical conditions such as AIDS and hepatitis should not donate blood. People who have taken vaccinations or have undergone any surgery or have cancer, diabetes, cold, and flu should consult health experts before donating blood. Pregnant women should seek expert advice before donating blood.

Health Benefits of Donating Blood

Blood donation not only makes the receiver's life good but also helps the donor to maintain good health. The health benefits of donating blood are mentioned below.

Prevents Hemochromatosis

Health benefits of blood donation include reduced risk of hemochromatosis. Hemochromatosis is a health condition that arises due to excess absorption of iron by the body. This may be inherited or may be caused due to alcoholism, anemia or other disorders. Regular blood donation may help in reducing iron overload. Make sure that the donor meets the standard blood donation eligibility criteria.

Anti-Cancer Benefits

Blood donation helps in lowering the risk of cancer. By donating blood the iron stores in the body are maintained at healthy levels. A reduction in the iron level in the body is linked with low cancer risk.

Maintains Healthy Heart & Liver

Blood donation is beneficial in reducing the risk of heart and liver ailments caused by the iron overload in the body. Intake of iron-rich diet may increase the iron levels in the body, and since only limited proportions can be absorbed, excess iron gets stored in heart, liver, and pancreas. This, in turn, increases the risk of cirrhosis, liver failure, damage to the pancreas, and heart abnormalities like irregular heart rhythms. Blood donation helps in maintaining the iron levels and reduces the risk of various health ailments.

Weight Loss

Regular blood donation reduces the weight of the donors. This is helpful to those who are obese and are at higher risk of cardiovascular diseases and other health disorders. However, blood donation should not be very frequent and you may consult your doctor before donating blood to avoid any health issues.

Stimulates Blood Cell Production

After donating blood, the body works to replenish the blood loss. This stimulates the production of new blood cells and in turn, helps in maintaining good health.

Blood Donation Process

It is always good to plan blood donation in advance. Consult your doctor before donating blood if there are any health issues or concerns. It is always good to have healthy diet weeks before the donation. On the day of donation, make sure you are well hydrated, so keep drinking plenty of fluids. One should wear comfortable clothes during the donation process. In case you are undergoing any treatment or medication, it is advisable to inform the blood bank/clinic/hospital where you are donating blood.

33 students, staff of VVLC donated blood in the camp and fresh juice was served them after their blood donation. Post blood donation procedure was informed individually by the trained staff.

Prof. K.B. Vasudeva, Director of Legal Studies, VVLC, Presided over the programme. T.M.Prashanth, Asst. Professor of Law, VVLC, delivered vote of thanks and A.R. Prakruthi, Asst. Professor of Law, VVLC, compered the programme.

REPORT OF THE FREE 1ST DOSE VACCINATION DRIVE FOR VVLC STUDENTS

Vidyavardhaka Law College, Mysuru organized a one day *Free 1st Dose Vaccination Drive for VVLC Students* with the medical aid of Primary Health Centre of Mysuru City Corporation. This free vaccination drive was held at 10am at the premise of Vidyavardhaka Law College for students and staffs of the college. With the objective of vaccinating everyone, the drive was conducted with the help of Primary Health Centre of Mysuru City Corporation. 156 students and staffs of the college received the vaccination on 30th June 2021.

The one day vaccination programme formally flagged off in the presence of Dr. P. Deepu, Principal, VVLC and Prof. K.B. Vasudeva, Director of Legal Studies, VVLC, Mysuru. Dr. P. Deepu delivered a short keynote address relating to the importance of Covid vaccination drive. Prof. K.B. Vasudeva highlighted the benefits and impacts of 1st dose vaccination.

A Student of VVLC vaccinating his 1st drive Covishield

The highlights of the Keynote address delivered by Dr.P.Deepu, is mentioned hereunder:

- How well do the COVID-19 vaccines work?
- The COVID-19 vaccines are the best way to protect yourself and others.
- Research has shown the vaccines help:
 - reduce your risk of getting seriously ill or dying from COVID-19
 - reduce your risk of catching or spreading COVID-19
 - protect against COVID-19 variants

The 1st dose should give you some protection from 3 or 4 weeks after you've had it. But you need 2 doses for stronger and longer-lasting protection.

There is a chance you might still get or spread COVID-19 even if you have a vaccine, so it's important to follow advice about how to avoid catching and spreading COVID-19.

Side effects and safety

They can cause some side effects, but not everyone gets them.

Any side effects are usually mild and should not last longer than a week, such as:

- a sore arm from the injection
- feeling tired
- a headache
- feeling achy
- feeling or being sick
- More serious side effects, such as allergic reactions or blood clotting, are very rare.

Dr. K.L. Chandrashekhara, Coordinator, Youth Red Cross committee concluded this vaccination drive programme by offering vote of thanks to staff of Primary Health Centre of Mysuru City Corporation.

REPORT OF THE FREE VACCINATION CAMP FOR VVLC STUDENTS

Vidyavardhaka Law College, Mysuru organized a one day *Free 1st Dose Vaccination Drive for VVLC Students* with the medical aid of Primary Health Centre of Mysuru City Corporation. This free vaccination camp was held at 10am at the premise of Vidyavardhaka Law College for students and staffs of the college. With the objective of vaccinating everyone, the drive was conducted with the help of Primary Health Centre of Mysuru City Corporation. 168 students and staffs of the college received the vaccination on 06th July 2021.

The one day vaccination camp formally flagged off in the presence of Dr. P. Deepu, Principal, VVLC and Prof. K.B. Vasudeva, Director of Legal Studies, VVLC, Mysuru. Dr. P. Deepu delivered a short keynote address relating to the importance of Covid vaccination drive. Prof. K.B. Vasudeva highlighted the benefits and impacts of vaccination for Covid.

A Student of VVLC vaccinating his 1st drive Covishield

A Staff of VVLC vaccinating his 1st drive Covisheild

The highlights of the lecture delivered by Prof.K.B.Vasudeva, is mentioned below:

The COVID-19 vaccines produce protection against the disease, as a result of developing an immune response to the SARS-Cov-2 virus. Developing immunity through vaccination means there is a reduced risk of developing the illness and its consequences. This immunity helps you fight the virus if exposed. Getting vaccinated may also protect people around you, because if you are protected from getting infected and from disease, you are less likely to infect someone else. This is particularly important to protect people at increased risk for severe illness from COVID-19, such as healthcare providers, older or elderly adults, and people with other medical conditions.

The COVID-19 vaccines are safe for most people 18 years and older, including those with pre-existing conditions of any kind, including auto-immune disorders. These conditions include: hypertension, diabetes, asthma, pulmonary, liver and kidney disease, as well as chronic infections that are stable and controlled.

Vaccination protects you from getting seriously ill and dying from COVID-19. For the first fourteen days after getting a vaccination, you do not have significant levels of protection, then it increases gradually. For a single dose vaccine, immunity will generally occur two weeks after vaccination. For two-dose vaccines, both doses are needed to achieve the highest level of immunity possible.

Dr. K.L. Chandrashekhara, Coordinator, Youth Red Cross committee concluded this vaccination drive programme by offering vote of thanks to staff of Primary Health Centre of Mysuru City Corporation.

REPORT OF FREE 1ST & 2ND DOSE VACCINATION DRIVE FOR VVLC STUDENTS

Vidyavardhaka Law College, Mysuru organized a one day *Free 1st and 2nd dose Vaccination Drive for VVLC Students* with the medical aid of Primary Health Centre of Mysuru City Corporation. This free vaccination drive was held at 10am at the premise of Vidyavardhaka Law College for students and staffs of the college. With the objective of vaccinating everyone, the drive was conducted with the help of Primary Health Centre of Mysuru City Corporation. 44 students and staffs of the college received the vaccination on 22nd October 2021.

The one day vaccination programme formally flagged off in the presence of Dr. P. Deepu, Principal, VVLC and Prof. K.B. Vasudeva, Director of Legal Studies, VVLC, Mysuru. Dr. P. Deepu delivered a short keynote address relating to the importance of Covid vaccination drive. Prof. K.B. Vasudeva highlighted the benefits and impacts of 1st and 2nd dose vaccination.

Report of the Free Vision Screening Camp

Youth Red Cross Committee, Vidyavardhaka Law College, Mysuru in association with Vasana Eye Care Hospital, Mysuru organized a two-day Free Vision Screening camp on 29th & 30th June 2022, held at Vidyavardhaka Law College, Mysuru.

Mr. Vinod Kumar S., Centre Head, Vasana Eye Care Hospital, Mysuru, delivered a keynote address relating to '*Eye Care - Enhance Your Vision*'. He opined:

Your eyes are an important part of your health. Most people rely on their eyes to see and make sense of the world around them. But some eye diseases can lead to vision loss, so it is important to identify and treat eye diseases as early as possible. You should get your eyes checked as often as your health care provider recommends it, or if you have any new vision problems. And just as it is important to keep your body healthy, you also need to keep your eyes healthy.

Eye Care Tips

There are things you can do to help keep your eyes healthy and make sure you are seeing your best:

- **Eat a healthy, balanced diet.** Your diet should include plenty of fruits and vegetables, especially deep yellow and green leafy vegetables. Eating fish high in omega-3 fatty acids, such as salmon, tuna, and halibut can also help your eyes.
- **Maintain a healthy weight.** Being overweight or having obesity increases your risk of developing diabetes. Having diabetes puts you at higher risk of getting diabetic retinopathy or glaucoma.
- **Get regular exercise.** Exercise may help to prevent or control diabetes, high blood pressure, and high cholesterol. These diseases can lead to some eye or vision problems. So if you exercise regularly, you can lower your risk of getting these eye and vision problems.
- **Wear sunglasses.** Sun exposure can damage your eyes and raise your risk of cataracts and age-related macular degeneration. Protect your eyes by using sunglasses that block out 99 to 100% of both UV-A and UV-B radiation.

Mr. Vinod Kumar S., Centre Head, Vasani Eye Care Hospital, Mysuru, delivered a keynote address relating to 'Eye Care - Enhance Your Vision'.

- **Wear protective eye wear.** To prevent eye injuries, you need eye protection when playing certain sports, working in jobs such as factory work and construction, and doing repairs or projects in your home.

REPORT TITLE

PRINCIPAL
Vidyavardhaka Law College
Mysore - 570 001

- **Avoid smoking.** Smoking increases the risk of developing age-related eye diseases such as macular degeneration and cataracts and can damage the optic nerve.
- **Know your family medical history.** Some eye diseases are inherited, so it is important to find out whether anyone in your family has had them. This can help you determine if you are at higher risk of developing an eye disease.
- **Know your other risk factors.** As you get older, you are at higher risk of developing age-related eye diseases and conditions. It is important to know your risk factors because you may be able to lower your risk by changing some behaviors.
- **If you wear contacts, take steps to prevent eye infections.** Wash your hands well before you put in or take out your contact lenses. Also follow the instructions on how to properly clean them, and replace them when needed.
- **Give your eyes a rest.** If you spend a lot of time using a computer, you can forget to blink your eyes and your eyes can get tired. To reduce eyestrain, try the 20-20-20 rule: Every 20 minutes, look away about 20 feet in front of you for 20 seconds.

Eye Tests and Exams

Everyone needs to have their eyesight tested to check for vision and eye problems. Children usually have vision screening in school or at their health care provider's office during a check-up. Adults may also get vision screenings during their check-ups. But many adults need more than a vision screening. They need a comprehensive dilated eye exam.

Getting comprehensive dilated eye exams is especially important because some eye diseases may not have warning signs. The exams are the only way to detect these diseases in their early stages, when they are easier to treat.

The exam includes several tests:

- A visual field test to measure your side (peripheral) vision. A loss of peripheral vision may be a sign of glaucoma.
- A visual acuity test, where you read an eye chart about 20 feet away, to check on how well you see at various distances
- Tonometry, which measures your eye's interior pressure. It helps to detect glaucoma.
- Dilation, which involves getting eye drops that dilate (widen) your pupils. This allows more light to enter the eye. Your eye care provider examines your eyes using a special magnifying lens. This provides a clear view of important tissues at the back of your eye, including the retina, macula, and optic nerve.

If you have a refractive error and are going to need glasses or contacts, then you will also have a refraction test. When you have this test, you look through a device that has lenses of different strengths to help your eye care professional figure out which lenses will give you the clearest vision.

Dr.P. Deepu, Principal, Vidyavardhaka Law College, Mysuru delivered presidential address. She highlighted the importance of eye care and eye donation. In her presidential address she opined:

Ever played the blind man's buff game, then you must probably know exactly how it feels to be unable to see. Unfortunately, some people are born blind, some lost their eyesight in an accident or for any other reason. Give a thought about how it feels when they regain their sight to see this beautiful world. We understand—donating the gift of sight is a life-changing decision that touches so many people's lives, it's a divine gesture! Let us understand the importance of eye donation and encourage people to donate eyes.

Statistics show that there are 12 million+ blind people in India and out of this, 3 million people are suffering from corneal blindness. From each pair of donated eyes, two blind people will get vision and light into their life, thus making it more divine. Donated eyes can be also used to restore vision of people who are suffering from corneal blindness. The other portions of the eye can be used to develop cures for some of the common eye diseases for research and training purposes. Preferable to complete the procedure within 6-8 hours after death. Trained staff will come and perform the procedure, which takes only 15-20 minutes. No damage would be caused during the procedure. An estimated of 30,000 corneas are donated and transplanted each year, but the fact is that there is still a long waiting list at the eye banks. Thus, it's time you to take the pledge and make someone else's life beautiful.

FOOD SECURITY DAY 2022
REPORT

On the occasion of Food Security Day our college organized field visit to CFTRI with 50 final year students on 7th June 2022 at 11 AM. On this day Dr. Parigi Ramesh Kumar Sr. Principal Scientist Technology Transfer & Business Development (Information & Publicity) CSIR-Central Food Technological Research Institute explained the constituent laboratory under the aegis of the Council of Scientific and Industrial Research (CSIR). It was established on 21 October 1950 in Mysore, Karnataka. C.F.T.R.I. also has its resource centers in Hyderabad, Lucknow and Mumbai, rendering technical assistance to numerous entrepreneurs. CSIR-CFTRI is a large and diversified laboratory presently headed by Dr. Sridevi Annapurna Singh, Director, CSIR-CFTRI. There are nearly 200 scientists, technologists, and engineers, and over 100 technicians, skilled workers, and support staff. There are sixteen research and development departments, including laboratories focusing on food engineering, food biotechnology, microbiology, grain sciences, sensory science, Biochemistry, Molecular Nutrition and food safety. The institute has developed over 300 products, processes, and equipment types. It holds several patents and has published findings in reputed journals. India is the world's second largest food grain, fruit and vegetable producer, and the institute is engaged in research in the production and handling of grains, pulses, oilseeds, along with spices, fruits, vegetables, meat, fish, and poultry. The institute develops technologies to increase efficiency and reduce post-harvest losses, add convenience, increase export, find new sources of food products, integrate human resources in food industries, reduce costs, and modernize. CSIR-CFTRI has developed over 300 products, processes including equipment designs, and most of these technologies have been released to over 4000 licensees for commercial exploitation.

Mr Raghavendra Assistant Scientist spoke about importance of celebration of food security day. He explained that, the main objective of celebration is to draw attention and inspire actions to help prevent, detect and manage foodborne risks, contributing to food safety, human health, economic prosperity, agriculture, market access, tourism and sustainable development. This year's theme is "Safer Food, Better Health" The access of safe food is essential for the health and well-being of people, animals and the environment. Only when food is safe, we can benefit from its nutritional value and the mental and social benefits of sharing a safe meal. We all have a role to play, from farm to table, in making sure the food we eat is safe and doesn't harm our health. Safe food is essential to promoting consumer health and well-being and ending hunger, two of the 17 main UN Sustainable Development Goals (SDGs). "Food safety is everyone's business" is the slogan for World Food Safety Day and urges that we all play a role in maintaining food safety throughout the entire supply chain, from farm to table.

Finally the students gain practical knowledge about CFTRI and this filed visit was coordinated by Dr. Prakruthi A R. Faculty members Dr. Sridevi Krishna and Kum Shreya R Raj accompanied the visit.

BRIEF REPORT ON PRISON VISIT

Jail is a correctional institution used to detain person who are in lawful custody of state. It includes both under trial and convicts. It is a place or institution in which a accused is kept isolated from the society and family in unpleasant condition. It is a most important component of criminal justice system. Which lead to rehabilitation of offender. The system of imprisonment represents a curious combination of different objectives of punishment. It varies from degree of offence. The origin of prison is inter-linked with the system of imprisonment which originated in the first quarter of nineteenth century. Modern prison system in India is essentially based on the British Prison model which is an outcome of prison developments in America during the late eighteenth century. Earlier concept of jail imprisonment was retribution but modern concept was reformation, rehabilitation and correction etc. Vision of Prisons Department

1-To provide for the safe and secure detention of the Prisoners committed to prison custody.

2-To provide for the reformation and rehabilitation of Prisoners.

3-To provide for Basic minimum facilities to prisoners to maintain human dignity.

Mission of Prisons Department to provide minimum standard of living treatment to the prisoners remanded to judicial custody and at the same time to reform/rehabilitates them by involving them in various vocational, spiritual, educational activities so that they become useful citizen of the country after their release.

With this vision and mission our college students as a part and partial fulfilment of academic exercise our college final year BA LL,B& LL.B.3 years 110 students and Two Faculty members Sri Rajesh.M.Cand Dr.Kumara.N.J visited central prison of Mysore on Friday 23rd June 2022 and observed the procedure and rules how the under trial and criminals sentenced with the separate cell for both men and women in the present now a days prison are becoming reformation centres to change mind set of criminals to become normal human being in this regard the government also giving many facilities for prisoners like clothing, medical facilities, food and other vocational training to earn money and also activities like agriculture, horticulture education and library and

cultural activities and many other reformatory measures of inmates of the central prison of the Mysore .

Our Mysore prison has high secured jail walls to prevent prisoners not to escape from the jail and also the jail staffs doing thorough security check from time to time.

The food facility was provided according to the standard of govt. based on the working and non-working inmates. Inmates were currently trained on various activities like flower making ,jute thread ,jute mats tailoring, weaving and so on bakery items such as bread, puffs, Cake, biscuits and also in the name parivarthana a stall near prison we can purchase it and also we enjoyed with economy rate it is provided and also it is maintained by inmates only it is also a very good way of reformation for the sentenced prisoner to change the attitude and to live in a society.

Recent developments we find due to corona video conference for court proceeding and prisoners can appear through video conference online.

There were around 40 Cell in the prison. Out of this 35 cells were occupied by men and 5 Cell by women. There were 850 inmates in the Central Prison Mysore. In this visit we were thankful to the superintendent of jail Smt.K.Divyashree and jailor Sri Vardaraju and Sri Babu and other officers for guiding us.

Respected sir,

Subject: Final year LL.B students to visit Mysuru central Jail.

As a part of academic exercise the final year students desire to visit Mysuru central Jail to know the functional aspects of the statutory organization. They need to prepare report and acquire knowledge about the legal position & functioning of the criminal justice system. Hence I request your good self to give permission to visit Mysuru central Jail on any working day in the month of There are total 140 students willing to visit & the name list of the students enclosed with this letter.

Thanking you

Yours faithfully

Report of Outreach programme

On

Violation of Human Rights and its Remedies

2021-2022

On 21st July 2022 Outreach Programme was organized on the theme “Violation of Human Rights and Its Remedies” at Government PU College Nagunahalli Village, Srirangapattana Taluk, Mandya District at 2 PM. This programme was presided over by Sri Swamy, Principal Govt PU College Nagunahalli Village. In this programme co-ordinator Dr Prakruthi A R gave information about the topic and final year students Pallavi, Pooja, Puttaswamy, Vedavarshini and Puneeth explained about Human Rights violations, Protection of Human right, implementation of Human Rights in India and also explained about role of Human Right commission giving some examples. This programme concluded with presidential address by Principal Sri Swamy. In his speech he pointed out importance of awareness of human rights by the students in the contemporary world. The World Health Organization research has shown that people struggling of human rights violations are those who were already facing considerable challenges, the people with long term health conditions, or facing discrimination, or parenting on their own. That is why India has launching

Finally the programme concluded with vote of thanks by Varshith P II LL.B (3Yrs) student. This outreach programme was witnessed by I and II PUC students and faculty members of the college.

Report of the Blood Donation Camp

Youth Red Cross Committee, Vidyavardhaka Law College, Mysuru in association with Blood Bank, K.R. Hospital, Mysuru and HDFC Bank, Mysuru on 7th December 2022 at VVLC, held at Vidyavardhaka Law College, Mysuru.

Dr. Deepu P., Principal, Vidyavardhaka Law College, Mysuru formally welcomed the guests and Prof. K.B. Vasudeva, Director of Legal Studies, VVLC, Mysuru inaugurated the Blood Donation Camp. Smt. Poornima, City Head, Mysuru Circle, HDFC Bank, Mysuru, delivered a keynote address relating to Blood Donation:

Benefits of Blood Donation

Donating blood has benefits for your emotional and physical health. According to a report by the Mental Health Foundation, helping others can:

- Reduce stress
- Improve your emotional well-being
- Benefit your physical health
- Help get rid of negative feelings
- Provide a sense of belonging and reduce isolation

Research has found further evidence of the health benefits that come specifically from donating blood.

Free health checkup

In order to give blood, you're required to undergo a health screening. A trained staff member performs this checkup. They'll check your:

- Pulse
- Blood pressure
- Body temperature
- Hemoglobin levels

This free mini-physical can offer excellent insight into your health. It can effectively detect problems that could indicate an underlying medical condition or risk factors for certain diseases.

Your blood is also tested for several diseases. These include:

- Hepatitis B
- Hepatitis C
- HIV
- West Nile virus
- Syphilis
- Trypanosoma cruzi

Side effects of Donating Blood

Blood donation is safe for healthy adults. There's no risk of contracting disease. New, sterile equipment is used for each donor.

Some people may feel nauseous, lightheaded, or dizzy after donating blood. If this happens, it should only last a few minutes. You can lie down with your feet up at the until you feel better.

You may also experience some bleeding at the site of the needle. Applying pressure and raising your arm for a couple of minutes will usually stop this. You may develop a bruise at the site.

Call the Blood Donation center if:

- You still feel lightheaded, dizzy, or nauseous after drinking, eating, and resting.
- You develop a raised bump or continue bleeding at the needle site.
- You have arm pain, numbness, or tingling.

What to know before you donate

Here are some important things to know before you donate:

- You need to be 17 or older to donate whole blood. Some states allow you to donate at 16 with parental consent.
- You have to weigh at least 110 pounds and be in good health to donate.
- You need to provide information about medical conditions and any medications you're taking. These may affect your eligibility to donate blood.
- You must wait at least 8 weeks between whole blood donations and 16 weeks between double red cell donations.
- Platelet donations can be made every 7 days, up to 24 times per year.

The following are some suggestions to help you prepare for donating blood:

- Drink an extra 16 ounces of water before your appointment.
- Eat a healthy meal that's low in fat.
- Wear a short-sleeved shirt or a shirt with sleeves that are easy to roll up.

Smt. Poornima, City Head, Mysuru Circle, HDFC Bank, Mysuru, delivered a keynote address relating to 'Blood Donation' and distributing Certificate to the first Blood Donor. Dr. Deepu P, Principal, VVLC, and Prof. K.B. Vasudeva, Director of Legal Studies, VVLC, Mysuru are in the picture.

Smt. Poornima, City Head, Mysuru Circle, HDFC Bank, Mysuru, Dr. Deepu P, Principal, VVLC, and Prof. K.B. Vasudeva, Director of Legal Studies, VVLC, Mysuru are with Blood Donors.

39 students, teaching and non-teaching members of Vidyavardhaka Law College, Mysuru donated blood. In the preliminary round of health checkup nearly 25 students were based on their health condition rejected to donate blood. The 39 Donors of blood will be contacted personally by the Hospital staff if their blood testing found any issues.

After preliminary health checkup students of Vidyavardhaka Law College, Mysuru are donating blood.

A Student of Vidyavardhaka Law College receiving her Certificate of Blood Donation and gift from the Resident Doctor of K.R. Hospital and Prof. K.B.Vasudeva, Director, VVLC, Mysuru.

VIDYAVARDHAKA LAW COLLEGE
SHESHADRI IYER ROAD- MYSURU-01

OUTREACH PROGRAMME

On

MYSORE CENTRAL PRISON VISIT

On 6th & 7th February 2023 at 2.30PM two batches of final year 3yrs LL.B and 5yrs BA LL.B students along with two faculty members visited Mysore Central Prison. The students got information about prison administration system. In Mysuru jail there are around 102 staffs, as per the details given by PSI Jayasimha – Chief Superintendent of Prisons. The details include— Chief Superintendent (1), Superintendents (2), Assistant Superintendent (1); the other important staffs include Warders (82), and Head Warders (16). But, there is still more staff to come, as there is a huge number of requirement to manage the prisons by taking more secure and safety measures. Security measures can be related to protect both the prisoners as well as the Public. Safety measures for prisoners include protection from natural calamities, or through protesters, by arranging safety roofs and walls. Also, safety measures for public include – High Secured Jail Walls, to prevent prisoners to escape from the jails and harm people outside. It becomes duty of the administrators and guards to maintain the jail in a secured way, that too by fulfilling the needs of the prisoners as well. The main intention of setting-up jails is to keep society or public safe from such criminals, who harm the people. Also, to make the prisoners realise their mistakes, as well as help to improve their lifestyle. Prisoners are not just kept behind the iron bars, but they are also given many other facilities like Clothing, Medical Camp, Bathing and Toilet Facility, and many more.

Though it is a jail, prisoners are given lot many facilities to give them a homely feel. The reason behind this arrangement is to change their mind, cultivate togetherness (oneness), and improve their personality by treating each other like friends and not enemies. The Mysore jail has been launched in the year 1862 on Ashoka road, which is widely spread with 21 acres of land, and lots of reconstruction or reformation works are being done every year or most often, by the Government of Mysore since 152 years. The Government is planning to conduct many different activities in this wide area.

Respected Sir,

Subject: Final year LL.B students to visit Mysuru Central Jail

As a part of academic exercise the final year students of our college desire to visit Mysore central Prison to know the functional aspects of the statutory organization. They need to prepare report and acquire knowledge about the legal position & functioning of the criminal justice system. Hence I request your good self to give permission to visit Mysuru Central Jail on any working day in the month of February 2023. There are about 140 students in the final year and the name list of the students is enclosed with this letter. Kindly oblige.

Thanking you,

Yours faithfully

In their inaugural speech they expressed the importance of legal knowledge to common man in their daily life. Every member of the society should know their rights and duties in their normal life through legal literacy programme. Common man used to sue for vengeance or enmity or for small reasons and will face many problems. Hence, common man should avoid knocking the door of the courts and they should not lose their hard earned money in filing a suit.

The chief guest Hon'ble Smt Mamatha. Shivapooji, Principal Civil Judge and J. M. F. C and Member Secretary, Taluk Legal Service Committee, Malavalli, also gracious the programme and addressed the audience importance of knowledge of laws. If people aware of laws they will not infringe the existing laws and if common man breaks the law he cannot defend that

he is not aware of laws. Ignorance of law not excusable. Thus, it's the duty of every member of our society to know the laws in their day today activities.

The resource person of the programme was Sri Srikantaswamy, Additional Assistant Public Prosecutor (Senior Grade) Malavalli, addressed the gatherings on law for common man. He informed the gatherings of necessity to register birth of child in family and to get birth certificate, how to get and where to get the same by giving proper name and address of parents. Further, he stressed to get death certificate by giving proper name and address of deceased. They also stressed on importance of driving licence, insurance to vehicle and its renewing. They further enlightens the gatherings that, parents should avoid their minor children to drive any vehicle and without driving licence with the illustrations of accidents and its effects and further they informed the villagers on the manner of settling land dispute through heads of village at village level. They further they said child rights and interest of children should be protected. Child labour is illegal and its parent's utmost duty to provide education to their children and there are various governmental schemes for child development and empowerment and benefits of such schemes shall be utilised trough concerned institutions.

PRINCIPAL
Vidyavardhaka Law Colic.,

Smt. N. Shruthikumar, Vice-President, Grama Panchayath, Bendaravadi was gracious the occasion as chief guest and they also addressed the villagers on various governmental and Grama Panchayath schemes like MNAREGA job card and their benefits to poor people, various schemes for women and girl child, old age people, and children, jobless people, homeless people etc. they also said there are many state and central government schemes for empowerment women and poor people and those schemes should be utilised people.

Sri. Shivakumar. H. S, Incharge Principal, VVLC, Mysuru has also addressed the gatherings on various aspects like resolve issues in sharing the ancestral property, rights of daughter in ancestral property and rights of parents if their children failed to care or neglect them under Maintenance and Welfare of Parents and Senior Citizens Act, 2007 and also educated the villagers that members of the village shall participate in voting process at all levels and said the importance of voting rights in election.

PRINCIPAL

The programme was presided by Hon'ble Sri. Shreeshail Ramannavar, Treasurer, Vidyavardhaka Sangha (R), Mysuru and they addressed the villagers that, now a days crimes, violations are rampant across the globe. Hence, the duty of our every members of society to should know the law and follow the law. Directly or indirectly our day today activities and business are governed by law and we cannot escape from the governance of law. Hence common people like us must utilize by attending such kind of legal aid and legal literacy programme in which advocates, judges, resource persons and law students will provide legal awareness to common people.

In their inaugural speech they expressed the importance of legal knowledge to common man in their daily life. As per recent legal developments judgment by Supreme Court daughter also has Right to property of her fathers or her ancestral property. Hence, litigations have been rising before courts and directly affecting on their family relations on the other side. There is prevention of domestic violence act to prevent violence in family either by husband or wife, by mother in law or by father in law, by daughter in or by son in law, or by parents or by children. Now a day the Act has been misusing by members of family for trivial issues and litigations have been raising and this effect on family bonding. Hence members of the family should know the value of relationship and to avoid the litigation. Every member of the society should know their rights and duties in their normal life through legal literacy programme. Common man used to sue for vengeance or enmity or for small reasons and will face many problems. Hence, common man should avoid knocking the door of the courts and they should not lose their hard earned money in filing a suit.

The chief guest Hon'ble Smt Mamatha. Shivapooji, Principal Civil Judge and J. M. F. C and Member Secretary, Taluk Legal Service Committee, Malavalli, was also attended the programme and addressed the villagers on importance of knowledge of laws. If people aware of laws they will not break the laws and if common man breaks the law he cannot defend that he is not aware of laws. There is maxim that ignorance of law not excusable. Thus, it's the duty of every member of our society to know the laws in their day today activities. And madam also addresses the gatherings on women rights and their status in local, state level and in national as well as international level as part of women day celebration. Further, they said through such legal awareness programme members of the society will be educated about common law for common law and they have to attend and utilize the programme which organised at their village.

Other guest of the programme was Sri Srikantaswamy, Additional Assistant Public Prosecutor (Senior Grade) Malavalli, addressed the gatherings on necessity to register birth of child in family and to get birth certificate, how to get and where to get the same by giving proper name and address of parents. Further, he stressed to get death certificate by giving proper name and address of deceased. They also stressed on importance of driving licence, insurance to vehicle and its renewing. They further enlightens the gatherings that, parents should avoid their minor children to drive any vehicle and without driving licence with the illustrations of accidents and its effects and further they informed the villagers on the manner of settling land dispute through heads of village at village level.

The resource person of the programme was Sri Narayanamurthy. V., Panel Advocate, member of Advocate Association Malavalli, they addressed the gatherings on Rights of women as part of international women's day celebration and law for common man as part of legal awareness programme. They said now a day women have been representing from local to global in all fields like, education, employment, industry, banking, all fields of science and technology, all fields of defence, all form of business sector. Now a day there is no restriction

as compared to olden days. Equality before Law and equal protection is the law of present day. They further they said women rights and the necessity to protect interest of women not only in family and outside as well. They informed on various governmental schemes for women development and empowerment and benefits available in such schemes and how to utilise those schemes through concerned institutions.

Smt. Dr. Deepu. P., Principal Vidyavardhaka Law College, Mysuru has also addressed the gatherings on importance of legal awareness. They informed that women rights interest should be protected. Women are part of our society and they play important role not only in family but also in various working sectors and play significant role in national development as well as international perspectives. Present legal system of our country is women friendly and it's the duty of our members of the society to care women sections and they representing as equal to men in all fields and not only give great her contribution in family empowerment but also in social development. On the other hand parents should care her daughter till attains her majority and need to provide education without gender discrimination. Once they are educated, they will be asset of family as well as nation.

This programme was presided by Hon'ble Sri. Shreeshail Ramannavar, Treasurer, Vidyavardhaka Sangha (R), Mysuru and in their presidential address they informed the villagers that, at present days it's the duty of our every members of society to know the law. Directly or indirectly our day today activities and business are governed by law, we cannot

escape from the governance of law. Hence common people like us must utilize by attending such kind of legal aid and legal literacy programme in which advocates, judges, resource persons and law students will provide legal awareness to common people

At this programme, Sri B. S. Shridhar., Dy.SP. Halaguru Circle, Halaguru., Prof. Vasudeva. K.B, Director of Legal Studies, Vidyavardhaka Law College, Mysuru, Smt Ningamma., President, Grama Panchayath, Byadarahalli, B. L. Sahana., Vice-President, Grama Panchayath, Byadaralli, Sri Pradeep., Sri Puttaswamy., Members of Grama Panchayath, Byadaralli, Sri Mallikarjuna., Panchayath Development Officer, Byadarahalli, Sri Shivananda, Supervisor, Sri Kshetra Dharmastala Rural Development Scheme, (B.C Trust), Halaguru, farmer president and members of Byadaralli Panchayath, more than 100 members of Chikkayelachagere, Doddayelachagere, Gollarahalli village, more than 60 students of Vidyavardhaka Law College, Mysuru. Teaching and Non-teaching staff of Vidyavardhaka Law College, local Media, Police staff and Sri Chennaiah, T. H., Co-coordinator of the programme were present and finally Dr. Kumara. N.J Co-Ordinator of the Programme rendered vote of thanks. The programme was meaningful and successful.
