BRIEF REPORT ON PRISON VISIT

Jail is a correctional institution used to detain person who are in lawful custody of state. It includes both under trial and convicts. It is a place or institution in which a accused is kept isolated from the society and family in unpleasant condition. It is a most important component of criminal justice system. Which lead to rehabilitation of offender. The system of imprisonment represents a curious combination of different objectives of punishment. It varies from degree of offence. The origin of prison is inter-linked with the system of imprisonment which originated in the first quarter of nineteenth century. Modern prison system in India is essentially based on the British Prison model which is an outcome of prison developments in America during the late eighteenth century. Earlier concept of jail imprisonment was retribution but modern concept was reformation, rehabilitation and correction etc. Vision of Prisons Department

1-To provide for the safe and secure detention of the Prisoners committed to prison custody.

2-To provide for the reformation and rehabilitation of Prisoners.

3-To provide for Basic minimum facilities to prisoners to maintain human dignity.

Mission of Prisons Department to provide minimum standard of living treatment to the prisoners remanded to judicial custody and at the same time to reform/rehabilitates them by involving them in various vocational, spiritual, educational activities so that they become useful citizen of the country after their release.

With this vision and mission our college students as a part and partial fulfilment of academic exercise our college final year BA LL,B& LL.B.3 years 110 students and Two Faculty members Sri Rajesh.M.Cand Dr.Kumara.N.J visited central prison of Mysore on Friday 23rd June 2022 and observed the procedure and rules how the under trial and criminals sentenced with the separate cell for both men and women in the present now a days prison are becoming reformation centres to change mind set of criminals to become normal human being in this regard the government also giving many facilities for prisoners like clothing, medical facilities, food and other vocational training to earn money and also activities like agriculture, horticulture education and library and

cultural activities and many other reformatory measures of inmates of the central prison of the Mysore .

Our Mysore prison has high secured jail walls to prevent prisoners not to escape from the jail and also the jail staffs doing thorough security check from time to time.

The food facility was provided according to the standard of govt. based on the working and non-working inmates. Inmates were currently trained on various activities like flower making ,jute thread ,jute mats tailoring, weaving and so on bakery items such as bread, puffs, Cake, biscuits and also in the name parivarthana a stall near prison we can purchase it and also we enjoyed with economy rate it is provided and also it is maintained by inmates only it is also a very good way of reformation for the sentenced prisoner to change the attitude and to live in a society.

Recent developments we find due to corona video conference for court proceeding and prisoners can appear through video conference online.

There were around 40 Cell in the prison. Out of this 35 cells were occupied by men and 5 Cell by women. There were 850 inmates in the Central Prison Mysore. In this visit we were thankful to the superintendent of jail Smt.K.Divyashree and jailor Sri Vardaraju and Sri Babu and other officers for guiding us.

MYSORE CENTRAL PRISON VISIT

On 6th & 7th February 2023 at 2.30PM two batches of final year 3yrs LL.B and 5yrs BA LL.B students along with two faculty members visited Mysore Central Prison. The students got information about prison administration system. In Mysuru jail there are around 102 staffs, as per the details given by PSI Jayasimha – Chief Superintendent of Prisons. The details include— Chief Superintendent (1), Superintendents (2), Assistant Superintendent (1); the other important staffs include Warders (82), and Head Warders (16). But, there is still more staff to come, as there is a huge number of requirement to manage the prisons by taking more secure and safety measures. Security measures can be related to protect both the prisoners as well as the Public. Safety measures for prisoners include protection from natural calamities, or through protesters, by arranging safety roofs and walls. Also, safety measures for public include – High Secured Jail Walls, to prevent prisoners to escape from the jails and harm people outside. It becomes duty of the administrators and guards to maintain the jail in a secured way, that too by fulfilling the needs of the prisoners as well. The main intention of setting-up jails is to keep society or public safe from such criminals, who harm the people. Also, to make the prisoners realise their mistakes, as well as help to improve their lifestyle. Prisoners are not just kept behind the iron bars, but they are also given many other facilities like Clothing, Medical Camp, Bathing and Toilet Facility, and many more.

Though it is a jail, prisoners are given lot many facilities to give them a homely feel. The reason behind this arrangement is to change their mind, cultivate togetherness (oneness), and improve their personality by treating each other like friends and not enemies. The Mysore jail has been launched in the year 1862 on Ashoka road, which is widely spread with 21 acres of land, and lots of reconstruction or reformation works are being done every year or most often, by the Government of Mysore since 152 years. The Government is planning to conduct many different activities in this wide area.
