Teachers' Day Celebration Report

2021-2022

On 6th September 2021 at 11.30am National Teachers' Day was celebrated. Dr. Deepu P Principal Welcome the gathering. On this Occasion Prof K. B Vasudeva importance of celebration of National Teachers' Day is the role played by teachers in community upliftment. Recognize the central role teachers play in nurturing and guiding infants, children, youth and adults through the lifelong learning process. He pointed out; it was marked for the celebration as Teachers' Day since 1962 in respect and deference of Dr. SarvepalliRadhakrishnan who was born on 5th September, 1888. Dr. SarvepalliRadhakrishnan was a great scholar, philosopher and teacher of modern India and was awarded the Bharat Ratna in 1954. He became the first Vice President of India (from 1952 to 1962) and the second President of India (from 1962 to 1967). It was his wish that instead of celebrating his birthday on 5th of September every year, it would be better to celebrate it as Teacher's Day all over India. Therefore, it was only natural way that his birthday would be celebrated as Teacher's day to pay respect towards teachers across the country.

On this occasion Prof M. C Rajesh pointed out that, the teachers play a huge role in our lives. Their contribution cannot be explained in words. They have always been around to show us the right path. There's no better way to pay them tribute than to celebrate Teachers' Day. We celebrate September 5 as a day to pay tribute to DrRadhakrishnan and also to all the teachers in the nation who toil to help students learn.

On this occasion we felicitated to our Director of Legal Studies and other senior faculties for the token of respect.

This programme was witnessed by the all the Teaching and Non-teaching Staff
