STUDENT COUNCIL

The Purpose of Student Council

- The purpose of the student council is to give students an opportunity to develop leadership by organizing and carrying out college activities and service projects.
- In addition to planning events that contribute to college spirit and community welfare, these students will act as college ambassadors and be a voice for the student body.
- It helps share ideas, interests and concerns of the students with the college community.
- Any student who is interested in leadership, organizational behaviour, event planning or becoming more involved in the college is welcome to get involved.

Objectives of the Student Council

- To create in cooperation with the Principal, staff and students, an improved college life at VVLC.
- To provide students with opportunities of leadership and to develop in all students a sense of responsibility and pride at VVLC.
- To encourage the students at VVLC to become more aware of how the college is run and to constructively identify and express their needs.
- To contribute to overall college development by being a resource in working in partnership with the management of the college.
- To promote friendship and respect among students at VVLC.
- To promote harmonious relations throughout the college.
- To improve student-teacher relationship.
- To provide a forum for student expression.
- To be the voice of the students to the administration and vice versa as well.
- The purpose of the student council is to give students an opportunity to develop leadership by organizing and carrying out college activities and service projects.
- Create an environment where every student can voice out their concern or need
- To provide a platform where the students can showcase their talent without hesitation
- The student council is responsible for the fluid and graceful functioning of Student and College organized events.
- Promote civic responsibility, leadership, scholarship and human relations within the student body.
- Act as liaison to college administration when it becomes necessary for student issues to be addressed at this level.
