Report of Vanamahotsava on the occasion of June- 5, World Environment Day-2023

The NSS unit of VVLC has organised programme Vanamahotsava in which planting of saplings on the occasion of ‘June-5- World Environment Day- 2023’ at Primary School premises at Hosakote Village, Mysuru Talluk, Mysuru District. More than 20 NSS volunteers were actively participated in the programme saplings of plants. The theme of the World Environment Day-2023 programme was ‘Solutions to Plastic Pollution- Beat the Plastic Pollution’. Along with NSS volunteers the primary school children and teachers were also involved in Saplings of the plants programme. On the other hand, this practical sapling of plants programme has creates awareness among school children as well as villagers and NSS volunteers on the importance World Environment-2023 Day and saplings of plants and sustainable development of environment. More than 50 different varieties of plants like Papaya plant, Cherry plant, Moringa Plant, Custard Aapple Plant, Neem Plant, Sapota Plant etc. were planted. The programme was meaningful and successful. Co-ordinator Dr. Kumara. N.J, and Sri Shivakumara. H.S Assistant Professor of Law, VVLC, Mysuru were also attended the programme.
