The school is having a computer aided learning lab.

They have partnered with Rotary, Pratham Mysore, XSEED Mysore, Mysore Science Foundation, V-Lead Mysore, Bharath Scouts and Guides, and many more skill development and training Institutes for children for their better future.

Outreach Program:

Introduction:

As part of the academic curriculum, we as Law students conducted an outreach program for students between class 8th to 10h graade at this prestigious school. We covered various aspects of Law which would help the students to have a birds eye view on the basic laws which are very essential in our day to day life.

Topics Covered:

Introduction to Laws- Post Independence

Understanding laws and their purpose

Basis Rights and responsibilities

Legal age and consent (importance of consent in different contexts example: personal boundaries, sharing personal information)

Laws on Traffic rules

Internet safety and cyber laws

Laws on Sexual Harassment

Laws on Social Media and their effects.

Brief on how students must understand the concept of "good touch and bad touch"

Use of Mobile phones and its effects.

All the above topics were discussed with the students and they were intrigued by the information, they also asked us some questions which were answered by us briefly. We then ended the session with a note that, these students are the future of tomorrow and hence they must be aware of the present laws to ensure to be better and informed citizens.

Conclusion:

The outreach program was a huge success, the students were very enlightened with our words of wisdom and knowledge to them. We treated with them with chocolates and lots of smile and joy.

Finally, we had a small valedictory program to thank the Honorable Principal and the respected Class Teachers of class 8th, 9th, and 10th grade, for their support and encouragement. Our program was also featured in their monthly news letter, and also featured in the local news paper as attached in photos “Mysuru Mitra” daily news paper.

Thank you
