BRIEF REPORT ON WORLD DRUG DAY-2024

On 26th June 2024 World Drug Day was celebrated. Sri. Lokesh C V, Assistant Sub Inspector, Mysore Railway Police Station, Mysuru as the Chief Guest and Women Constable also accompany with resource person. The world drug day theme 2024 is “The Evidence is Clear: Invest in Prevention.” The chief guest pointed out that, the global drug problem presents a multifaceted challenge that touches the lives of millions worldwide. From individuals struggling with substance use disorders to communities grappling with the consequences of drug trafficking and organized crime, the impact of drugs is far-reaching and complex. Central to addressing this challenge is the imperative to adopt a scientific evidence-based approach that prioritizes prevention and treatment. The International Day against Drug Abuse and Illicit Trafficking, or World Drug Day, is marked on 26 June every year to strengthen action and cooperation in achieving a world free of drug abuse. This year’s World Drug Day campaign recognizes that effective drug policies must be rooted in science, research, full respect for human rights, compassion, and a deep understanding of the social, economic, and health implications of drug use. Together, let us amplify our efforts to combat the global drug problem, guided by the principles of science, compassion, and solidarity. Through collective action and a commitment to evidence-based solutions, we can create a world where individuals are empowered to lead healthy, fulfilling lives.

Nasha Mukta Bharat Abhiyaan (NMBA)

NMBA was launched on 15th August, 2020, by the Ministry of Social Justice & Empowerment in 272 identified most vulnerable districts. It has now been extended to all districts across the country.

Nasha Mukta Bharat Abhiyaan intends to reach out to the masses and spread awareness about substance use with focus on higher educational Institutions, university campuses & schools. It further

aims to reach out dependent population with the focus on counselling, treatment facilities in hospitals, rehabilitation centres, and capacity building programmes for service providers.

Till now, through the various activities undertaken on- ground, more than 10.73 crore people have been sensitized on substance use including over 3.39 crore youth and 2.27 crore women. Participation of 3.29+ lakh educational institutions has ensured that the message of the Abhiyaan reaches children and youth of the country. A strong force of 8,000+ Master Volunteers (MVs) have been identified and trained to expand the reach of the program.

This programme was presided over by Dr. Deepu P, Principal. Coordinator Shivakumar H S & and First year LL. B and BA., LL. B Students were present.
