BRIEF REPORT OF SPECIAL LECTURE ON COMPETITION LAW

On 12th January 2024 special lecture on competition law was organized at Room No. 9 for final year students who have opted for competition law. Mr. Jagadeesh A.T, Asst. Professor, JSS Law College was invited to deliver the lecture on “An Overview of Competition Law”. Delivering the lecture he spoke about objectives of passing competition act, its background and its impact on Indian economy.

He gave detail information about the content of competition act and also the main issues dealt under competition law like anti-competitive agreements, abuse of dominant position, mergers and combination.

Further, he threw light on the procedure followed by the competition commission in investigating and inquiring into the matter of practices which are said to be anti-competitive. Detail information was given on the powers, functions and duties of the competition commission and the role of director general in investigating the anti-competitive practices. He also explained the importance of competition advocacy and its role in creating awareness about competition citing few live examples. A discussion on various case laws like DLF case, Microsoft, Google case etc. was taken up which made the class more lively. The lecture concluded with vote of thanks delivered by Dr. Sridevi Krishna, Asst. Professor.
