Eco-Club  
Celebrating  
World Forest & Water Day-2022

Both world forest day and water day celebrated across the globe on 21<sup>st</sup> march and 22<sup>nd</sup> march respectively for the consideration of the value of both the resources, sensitize the issue relating to destruction activities on the both the resources and to educate the world population to protect the same. Indeed on 22<sup>nd</sup> march 2022, our college by Eco-club organized a day programme to celebrate both the day. This programme presided by our Principal Smt. Dr. Deepu P and the *Chief Guest* of the programme was *Smt. Dr. Lathamani*, Assistant Professor, Dept. of Environmental Studies, VVFGC, Mysuru. Prof M C Rajesh made welcome address and anchored by Dr. Prashanth T M, the programme coordinator. The *Chief Guest Smt. Dr. Lathamani* while addressing the gathering she spoke about International days are occasions to educate the general public on issues of concern, to mobilize political will and resources to address global problems, and to celebrate and reinforce achievements of humanity. The United Nations General Assembly proclaimed 21 March the International Day of Forests in 2012 to celebrate and raise awareness of the importance of all types of forests. The World Water Day is observed every year on 22 March around the world since 1993. It is celebrated to highlight the importance of freshwater and to spread awareness about it. And finally she mentioned the role of the today generation to protect and preserve these resources for future generation. Our director of legal education Prof. K B Vasudeva witnessed this programme as guest of honor. The principal Dr. Deepu P in her presidential address she made an attempt to sensitize the issues relating to destructions to the above recourse and asked the gathering to play their role to protect and preserve the water and forest resource. Finally, the programme coordinator Dr. Prashanth T M done vote of thanks. This programme witnessed by our students and staff
