### **Bag distribution Programme to Times of India Newspaper Subscriber**

On 23<sup>rd</sup> February 2023 at 3.00PM Bag distribution programme was organized for the purpose of distribute to the Bag to the Times of India Newspaper Subscriber. For the academic year 2022-23 total 45 students and 5 faculties who enrolled their names as newspaper subscriber for 132 issues. Newspapers are called the mirrors of the world. They are the natural way of bringing India to the world and the world to India. Newspapers always arouse excitement. It is this art of generating curiosity that compels people to read on. Newspapers play an important role in a democracy and are the most important and effective medium of mass communication. They fully enjoy the freedom of speech by being unbiased. They furnish only the authentic details. Newspapers have played an important role in forming and moulding public opinion. The biggest advantage of reading a newspaper is that it adds value to students and thier personality. It improves the English or any other language in which you are reading it in; it enhances the confidence and it actually make lives easier as you are updated with the current issues, achievements, facts, discoveries, research, laws, events, ideologies, politics, movements, historical facts and what not? It also improves the memory to a certain extent, increases your reading skills and indirectly writing skills, as well. The perks are immense and it doesn't cost more than a rupee. With this advantages our college encourages to students subscribe and take advantages on it.
